

# ESG Solutions from SCPL

## Background

- There is an increasing need for businesses to not only make profits but also positively benefit the Environment, Society, and other stakeholders
- Post Covid19 pandemic, investors globally are focused on ESG investments which have a positive impact with USD 40 trillion waiting for investment globally
- Businesses are increasingly facing scrutiny from Govt., customers, investors and activists to ensure their business is green and sustainable
- Climate change and environmental risks are real issues and risk mitigation is essential to ensure the long term continuity of the business

## Risk Identification & Sustainability Reporting

- Climate & Environmental risks to the business
- Impact assessment baseline study
- Sustainability reporting of the company to ensure ESG+ compliance

*Using Quadruple Bottom Line methodology devised by Dr. Iyer*

*Investment: Rs.7 lac + GST*

*Time frame: 2 to 4 months*

## CSR compliance and integration with business model

- Ensuring CSR compliance as per the laws including impact assessment & reporting
- Integrating CSR vision and milestones with the business model to ensure deep connect with local communities leading to optimal utilisation of CSR funds

*Investment: Rs.3 lac + GST*  
*Time frame: 1 to 2 months*

## Outreach & PR activities

- Getting organic print & digital media coverage for the cos. for publicity and outreach for the work carried out by company and impact created with customers, local communities and Society

*Investment: Rs.2 lac + GST*

*Timeframe: 3 months engagement*

## Fund Raising & Awards initiatives

- Engaging with ESG Fund Managers and Funding Agencies such as World Bank, Asian Development Bank (ADB), USAID, etc. for access to ESG capital in the form of soft loans, grants, and equity investment in the company
- Identifying national & international awards and applying for the same

**Investment:** 3% to 9% of the funding amount raised based on size and nature of funding post completion of impact assessment study and publishing of sustainability reporting

**Awards:** Award prize money will be equally distributed 50-50 with the company irrespective of the amount raised
